

Naturlay

CARPET UNDERLAY MADE FROM 100% NATURAL MATERIALS

Taking comfort underfoot to a new level, naturally

SOFT AND COMFORTABLE AS COTTON

The entirely natural cotton felt construction has no hard lumps in it, giving a beautifully comfortable and consistent feeling underfoot. Walking on the carpet never felt so good!

NATURLAY IS VEGAN FRIENDLY

Made from plant-based material, with no chemicals or animal-based materials used in its construction.

SAFE FOR EVERYONE

No harmful chemicals are used in the production of Naturlay, so it is perfect for allergy sufferers.

NATURLAY MAKES THE HOME A HEALTHIER PLACE TO BE

Fully breathable when used with a compatible carpet, allowing the natural movement of air and moisture through your home and preventing the build up of damp and mould under the floor (which can have negative impacts on health).

BETTER FOR THE ENVIRONMENT

Naturlay is made entirely from natural cotton fibres and is fully biodegradable at the end of its life, so has ultra low environmental impact.
