

UniBase Silver

Underlay

Great value 100% recyclable PE foam wood underlay with moisture protection

- Flooring lasts longer**
 With the perfect level of support, UniBase Silver protects your floor from excess wear and high impact damage - for a great looking floor for years to come!
- Easy to fit**
 The lightweight material makes it a breeze to lift, move around and cut...all of which saves time and effort during installation.
- Protects against damp**
 Don't worry about moisture rising up from the sub-floor - the metallised silver vapour barrier protects your floor covering and keep your room dry as a bone.
