

Luvanto Click+

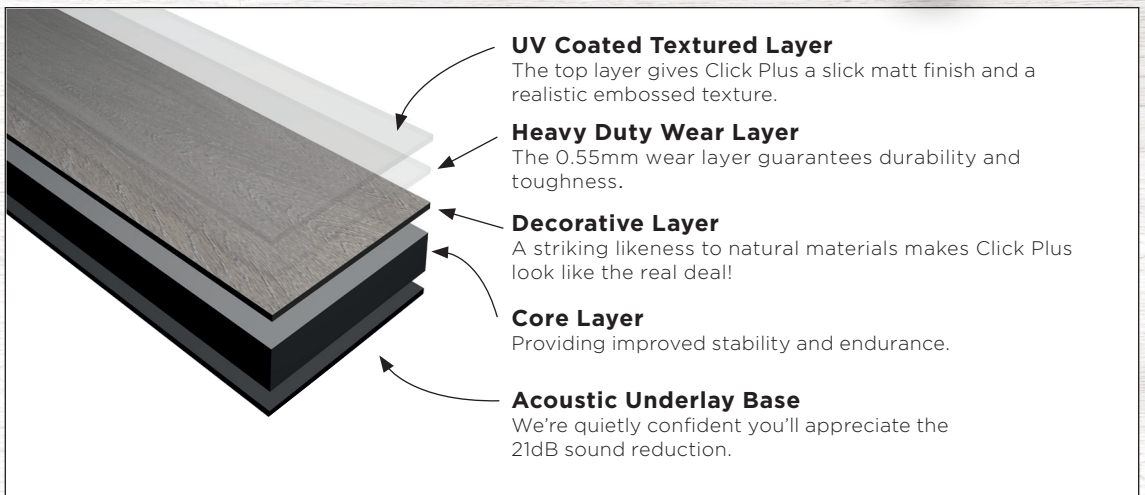

Luxury Design Flooring

Luvanto Click Plus is the latest in flooring technology. A better, easier to install click system with a built-in acoustic backing ensures that Click Plus always delivers a professional finish.

WHAT MAKES CLICK PLUS SO GREAT?

- **Click Plus** has an integrated acoustic backing which provides 21dB sound reduction without having to use an extra underlay - one of the highest ratings on the market
- **Click Plus** has a tough 0.55mm wear layer which makes it incredibly hard-wearing and scratch resistant
- **Click Plus** comprises a clever push-down lock on end joints making installation quick and efficient
